

## 1. **Have An Attitude Of Gratitude**

Celebrate Life, appreciate the things around you, look for things to be thankful for. What are things you can be grateful for?

### 1.a **Give Generously**

We couldn't decide which should be number one, Generosity or Gratitude. We decided to make them both number one. Where do you plan on giving with a generous heart?

## 2. **Pursue Passions**

Explore and discover what excited you! What are things you've wanted to try/pursue?

## 3. **Keep The Balance**

Focus on the internal you. How can you help stay balanced?

## 4. **Make No Obligations**

You worked for years. Don't make retirement work too! List some things you can avoid "have to" do in retirement.

## 5. **Try New Things**

Now is the time to try new. Try writing a few new things you would like to try.

## 6. **Take Care Of Your Body**

Increase your number of good years. Run, bike, swim, whatever keeps you young. List some ideas to help keep you healthy.

## 7. **Stay Flexible To Change**

Accept change with optimism and open arms. What are some of your plans for retirement that may need some flexibility.

## 8. **Cherish Friends & Family**

Look to build relationships, both inside and out of your family. Relationships are worth more than all the money in the world.

## 9. **Have Fun**

What's the point of all this if we don't have a little fun along the way? How do you plan on having fun in retirement?

## 10. **Keep Eternity In Mind**

Our days are numbered, and every sunset we move one day closer to eternity. How will you be sure to live everyday to its fullest in retirement?
