

Production Assistant

If you thrive on creating compelling and approachable videos, graphics, and photos that share life-changing information with people who need it, keep reading! **We're looking for a visual content creator to join the energetic and innovative team behind The Money Guy Show.**

The Money Guy Show is a YouTube channel and podcast bringing smart financial strategies to the masses. We make personal finance approachable, helping people learn smart strategies, apply them, then watch their finances grow!

The Production Assistant will work alongside the show's Producer to create (or assist with the creation of) **compelling visual media** for our social media accounts, website, online courses, future merchandise, and weekly show. This includes **Facebook and Instagram video clips, bonus episodes of the show, quote graphics, PDF downloads, and more.**

We're looking for a person who is:

- **Passionate:** Cares about the quality of their end product and how it will leave users better than when they started
- **Self-reliant:** Can come up with ideas and solutions on their own, if needed
- **Organized:** Can effectively keep track of many moving parts and multiple projects
- **A Team Player:** Appreciates the legacy of the show, supports the creator's vision, and desires to see all members of the team thrive
- **Collaborative:** Willing to listen, learn, and share ideas as the team grows and develops new projects

Skills:

- Affinity for visual communication and storytelling
- Video Editing (Adobe Premiere or Final Cut)
- Video Production
- Basic knowledge of video, audio, and photography gear
- Graphics creation
- Adobe Photoshop
- Adobe Illustrator, and/or InDesign
- An understanding of individual social media platforms and what types of content works best on each

Preferred

- Degree in related field
- 2-3 years of experience in Content Creation, Media Production, and/or Marketing
- Experience with Facebook Ads and/or Google Adwords
